Ph: +91 97411 93963 | Mail: adarshkakarla@gmail.com | [LinkedIn](#) | [GitHub](#)

Bengaluru, India

PROFESSIONAL SUMMARY

First-year Computer Science Engineering student at Atria Institute of Technology with a builder mindset focused on AI, entrepreneurship, and solving real-world problems. I combine leadership, communication, content creation, and AI tools with a growing technical foundation in Python, C, MySQL and Machine Learning while building real products and working with freelance clients.

EXPERIENCE

Social Media Manager (Freelance) | Aug 2026 – Present

- (1) MyFlavours Cloud Kitchen: Manage content and socials (Paid based on projects)
- (2) Studio Younique Boutique: Manage content calendars, reels, branding and managing social (Monthly payment)

Freelance Videographer & Editor | 2024 – Present

Produced paid restaurant commercials, moto-vlogs, 3-day trial documentary, music videos, and a community short film from scripting to final delivery.

EDUCATION

Atria Institute of Technology — B.E. Computer Science (2026–2030)
